**Strutting Into The Studio.** Guitarist Brian Setzer, of Stray Cats fame, is putting finishing touches on his second album with the Brian Setzer Orchestra, due in July on Interscope Records. Produced by Phil Ramone, the album features co-writing and performing contributions from longtime Setzer pal Joe Strummer, formerly of the Clash. Shown at Ocean Way Studios in Los Angeles, standing from left, are Strummer, Setzer manager Dave Kaplan, and Setzer; seated behind the console is Ramone.
